

# Son- Shine News

## Happy New Year!

Son-shine Sunday school is back in full swing. This winter and spring we will be celebrating special days of the church year and learning about how Jesus's first disciples began spreading the Gospel to all nations as Jesus commanded them.

We will continue serving a light breakfast on Sunday mornings beginning at 9:00. Our goal is to be ready for classes to start at 9:30. We appreciate your helping us keep to this schedule.

Be sure your child marks his/her attendance every Sunday. Students earn a prize for every five Sundays. Remember, if your child attends Sunday school at a different church, it still counts. Just let us know!

Be sure to check the calendar below for special activities in Sunday school for the next couple of months. Hope you will join us every Sunday!

### Calendar

Sunday, January 14	Celebrate January Baptisms
Sunday, January 21	Instrument Day!
